MEET THE PROVIDERS IN OUR

Learning Center

Tracy Perry

Tracy's patient and calm energy creates a safe and comforting environment for all types of learners. She is attentive to the needs and interests of her students, fostering positive and collaborative relationships that bolster their confidence. Tracy's creativity encourages students to be their own problem-solvers and actively engages them in their lessons.

Influenced by her degree in Experimental Studio, Tracy creates unique environments of exploration and discovery as an art teacher. She has experience working with a diverse range of students in preschool, elementary school, and middle school.

Fun Fact: Tracy is a voice actor.

Highlights & Insights

- Tracy connects effortlessly with students who are too hard on themselves or feel easily overwhelmed- she's like a human stress ball!
- She thrives with students who are open to trying new things and seeing the world from different angles (like a kaleidoscope)
- Tracy's kindness is like a warm hug, making everyone feel heard and appreciated.
- She loves diving into research and finding quirky connections between diverse points of view.
- Tracy keeps a journal where she dumps all her wild ideas, emotions, and reflections.
- Tracy sees ages 8+.

Adriana brings a perfect blend of fun and focus to her work with children, ensuring a supportive and engaging environment. With a calm demeanor, lighthearted approach, and a touch of humor, she knows how to make learning both enjoyable and effective. Adriana's creative yet structured methods help build confidence and alleviate anxiety, allowing kids to thrive.

With 15 years of experience in tutoring and working with children across various developmental stages, Adriana is well-versed in adapting her techniques to meet individual needs. Trained in ABA therapy and currently pursuing a doctoral degree in clinical psychology, she is equipped with a comprehensive skill set to address diverse challenges.

Adriana's expertise shines through her ability to connect with children, making each session lively and productive. She skillfully integrates each child's interests into her tailored lessons, keeping them motivated and engaged.

Fun fact: Adriana is a culinary enthusiast who loves creating new recipes and dreams of publishing her own cookbook one day!
